My name is _____

I have been a CJCA member since _____.

What I like the best about rodeo is _____

My event(s) are _____

I would like for you to sponsor CJCA because _____

California Junior Cowboy Association (CJCA) is a non-profit, all volunteer junior rodeo association, offering rodeo competition for cowboys and cowgirls up to nineteen years of age. All of the people at CJCA are great, the older contestants help the younger cowboys and cowgirls learn lifelong valuable skills and we are all a family! This organization promotes sportsmanship, teamwork, horsemanship, and shows us how to be well-rounded young adults. CJCA helps build confidence and encourages us to believe in ourselves. We sometime win, we often lose, we laugh and we cry, all the while, we are growing and learning.

Thank you for considering a sponsorship and the chance to be part of this great organization. I can't wait until my next rodeo!!!!

Thank you,
